

## Support and Education For Families Struggling with Substance Use

Third Wednesday of Each Month

---

Join others who love someone with substance use issues for an evening of education and support. Clinical staff from Hudson Health Services and Family Peer Support Specialists from Maryland Coalition of Families will provide education and tools. We will also offer support for you and your family during your toughest times.

Topics included:

- Addiction as a family disease
- Advocacy versus codependency and enabling
- Language of addiction and recovery; reducing stigma
- Recovery resources for families
