### Online Family Fun and Games For All Ages

Maryland Coalition of Families invites you to join other families and loved ones who care about someone with mental health, behavioral health or substance use challenges. This is a great opportunity to leave our struggles behind for a little while to share some fun and laughter.

We meet weekly just to share some social time laughing and playing games.

Games will be geared toward children aged 8 and older, however everyone is welcome. Smaller children will just need to be supervised.
