

Understanding Attachment Disorder

This FREE webinar is for parents, caregivers, and professionals who work with young children*.

For more info, contact **Christina Spangler** at 443-472-7918 or cspangler@mdcoalition.org

**Please note that CEUs are not provided for this workshop.*

Early bonds with parents and caregivers have a long-term impact on a child's growth, development and future relationships with others. This workshop explores the disorders that can develop when these healthy bonds do not form as they should.

Learning objectives:

- Learn what attachment disorder is
- Understand the origin and causes of attachment disorder
- Get resources for parenting a child with attachment disorder
- Develop strategies for self-care when parenting a child with attachment disorder

About the presenters:

Sharon Fuller is a mom to nine and founder of The Attachment Place, LLC, providing coaching, mentoring and in-home services for families.

Kate Oliver, LCSW-C, co-owns a group practice, A Healing Place, in Columbia, Maryland and is the co-creator of the Stages of Trauma and Recovery Model.
