

FOR FAMILIES WITH CHILDREN AGES 5-12

Active Parenting Workshop

Join us for this FREE 6-session online course designed to strengthen and empower parents. This program helps parents gain confidence and courage to meet the challenges and savor the joys of their children. Participants will gain the skills needed to use effective discipline, teach responsibility, and communicate with their children. Active Parenting is a fantastic tool to inspire a positive change in the way we interact with our children. Free parents' guide and workbook provided.
