

## Youth Sex Trafficking Prevention, Intervention and Recovery

### A Free Virtual Learning Opportunity for Families

---

Please join us for this powerfully informative workshop. This workshop will educate and awaken the attendees to recognize human trafficking through education, prevention strategies, and restorative survivor services. We are honored to have Ms. Laura Coleman of The Araminta Freedom Initiative. The *AFT* reduces the threat of child sex trafficking—the buying and selling of minors for the purpose of sexual exploitation—and restores the mind, body and spirit of those who have survived the trauma of modern slavery.
