

Maryland
Coalition
of Families
presents:

Building Family Bonds

Join us in our support group that
is focused on building bonds
within your family!

We will have an open forum for parents
and caregivers (**parents and caregivers
only**) to have a safe space to talk.

The group will also provide opportunities
where caregivers AND their family
members can join to work together to
explore creative solutions to help
strengthen the bond between
caregivers & their children.

Wednesday, July 12, 2023
6:00pm – 7:00pm
