

Maryland
Coalition
of Families
presents:

Building Family Bonds

Join us in our support group that is focused on building bonds within your family!

We will have an open forum for parents and caregivers (parents and caregivers **only**) to have a safe space to talk.

The group will also provide opportunities for caregivers AND their family members to work together to explore creative solutions and strengthen the bond between caregivers & their children.

October 11, 2023
6:00 - 7:00 pm
