Tools and Strategies for Caregivers Who Love Someone Under 30 Struggling with Opioid Use

Thursday, February 22, 2024
6 pm - 7 pm

Loving a young adult using opioids is often scary, frustrating, and lonely. It can be hard to balance finding the right way to support them and wanting to keep them safe.

Join MCF for this **free virtual webinar** to learn more about BOND, a family coaching project that adapts the Community Reinforcement Approach and Family Training (CRAFT) model to help families and concerned significant others get their loved one the treatment and support they need.

Our speakers will be Kevin Wenzel, PhD and Luciana Lavorato, MA, LCPC, LCADC_D from Maryland Treatment Centers, a family-run organization that offers inpatient, outpatient, intensive outpatient and medical detox from drugs and alcohol to people recovering from substance use disorder.

This project is sponsored by the National Institute on Drug Abuse (NIDA)

Maryland Coalition of Families is a nonprofit organization that provides statewide family peer support services at no cost to people and families who love or care for someone with a mental health, substance use or problem gambling disorder. Visit our website to learn more www.mdcoalition.org
