Family & Youth Interventions for Substance Use
presents

Parent CRAFT

Thursday, September 21, 2023
12:00 pm – 1:00 pm

Live Informational Webinar

This workshop is intended for behavioral health providers to learn about the Parent CRAFT model and applications for use in clinical settings.

Parent CRAFT is a self-paced online video course that teaches parents, caregivers and concerned others the skills and techniques needed to meet the risks of substance abuse and encouraging a young person to enter treatment. Parents and caregivers learn skills to address adolescent and transitional-age youth (TAY) substance abuse through highly engaging online video segments that include structured suggestions for practicing the skills.

Up to 1.5 Category I/A continuing education credits will be awarded to eligible participants.

**** PLEASE NOTE **** *Registration is REQUIRED. No partial credits will be issued.*
