

Challenging Behavior: Supporting a Child with Autism

Presenter:
Molly Johnson,
Autism Consultant

If you are a parent or caregiver of a child with autism, join us for this free webinar and learn how to navigate your child's challenging behaviors in positive ways.

Participants will learn:

- Why your child is engaging in the challenging behavior
- How to choose a replacement behavior
- How to teach your child to engage in the replacement behavior
- Proactive strategies to prevent challenging behaviors
